

# Together...let's support Your school or charity

## Here's how:

For Every \$25 discount card used towards tax preparation, accounting or bookkeeping services, we will happily provide the school or charity of your choice with a matching \$25 cash gift.

## Why choose us?

- A personal accountant who takes time to know you and can discuss the many factors that can have an effect on your tax situation. Changes such as home purchases, marriage, having children, career changes and stock sales are just a few actions that can contribute to big changes.
- We are a licensed, local, family owned company.
- E-File and paper returns filed in all 50 states.

Dear Parents,

*...When it's all about numbers, you don't have to feel like one.* We believe that every person, family and business should know that having a personal accountant is affordable. We represent individuals, businesses and non-profits. We'd like you to know that seeing the same person from year to year is very important and we hope you will consider starting a relationship with us.

Sincerely,  
Richard P McDonnell, IV, Enrolled Agent
